OCTOBER 3-4, 2026

HOST YOUR OWN WORKSHOP

General Info ArtLab will be a series of pre-registered, one-hour workshops for **students ages 12 to 18** offered from 10:00 a.m. to 5:00 p.m. on **October 3rd and 4th 2026** at An Occasion for the Arts.

Location These workshops would take place in indoor spaces near **Merchants Square**. It would give teens a more meaningful, hands-on art experience within the festival, led by local art teachers and supported by festival volunteers.

Demographic Workshops would be designed for two age groups, **12 to 14** and **15 to 18**, so instruction can feel age-appropriate while keeping the program cohesive. Proposed offerings include clay hand-building, found object sculpture, gel plate printing, bookmaking, surrealist collage art, and botanical drawing, watercolor, calligraphy, et al. Please come with your ideas!

Registration The intent is to create a teen-focused artmaking space that feels more in-depth than a drop-in activity while still fitting the festival's energy. Because space and materials would be limited, students would need to **register in advance**.

Payment Teachers would be paid **\$300 per workshop** which covers instruction, materials, setup, and breakdown.
